

Directions & Parking

22 st ives

Directions by car

Rocks

On entering St Ives take the right hand fork at the Porthminster Hotel. No 22 is nearly at the bottom on the left hand side and parking is in front of the building. The postcode for SatNav is TR26 2BP.

Terrazzo and the Cottage

On entering St Ives take the left hand fork at the Porthminster Hotel, then take first right into Albert Road (it is actually straight on as the main road veers sharply left up a hill) and the parking spaces are almost immediately on your right. You will see 3 parking spaces and there is a sign saying 'parking for 22 The Terrace'. The Cottage has far left space and Terrazzo the middle space. The space on the far right is not owned by 22 The Terrace and belongs to the little house directly in front so must be kept clear. The parking spaces are narrow but very long so it is helpful if you can park in a staggered way as shown below.

The pink arrow points to the Cottage's space, the estate car next to it is in Terrazzo's space. The postcode for SatNav is TR26 2EH.

Walk down the short hill running parallel to the parking spaces and No22 is almost immediately on your right at the bottom.

If arriving by rail

If arriving by rail simply walk up the steps on your left as you leave the station car park and No22 is in front of you to the left.
